. POLITICAL NOTES. ***************

Leo Meyer, who has been assistant secretary of state under Bill Cross. has announced his candidacy for that office. He says his duties in the office will prevent him from making a personal campaign.

William Cross who was elected seerotary of state under the constitution cannot succeed himself has announced for state auditor. He is sending out letters over the state in which he reters to his long illness and of the reports spread broadcast concerning him while he was on his bed of affliction. Cross is being opposed by W. F. Gilmer of Ardmore who made his announcement for this office some-

COLLEGE NEWS NOTES.

From Agricultural and Mechanical College at Stillwater.

Stillwater, Okla., Jan. 15.-The work of the winter term is progressing better than that of any previous year. The students are practically all settled in their respective joutines of work and E is noted that an excellent showing is being made in both class rooms

the house chamber indicates that the exact enrollment up to January 19, house members of the Ballinger-Pin- 1910, as reported by the registrar on chot investigation committee probably that date; Summer school, 270; seniors, regular course, 49; juniors, 51; Democrats-James of Kentucky sophmores, 93; freshmen, 109; suband Rainey of Illinois, chosen tonight. freshmen, 192; business course, 90; Republicans-Regulars; McCall of specials, 74; short agricultural and Massachusetts, Olmstead of Pennsyl domestic economy course, 12; making vania, and Stevens of Minnesota are a total enrollment of 1,013 since June,

A camp of the National Rifle association of America was organized among the cadets last week. The necessary officers have been chosen and due application has been made hours, though all but half an hour of for the rights and privileges of orders the session was devoted to speech of this kind. According to the rules of the war department, the organization will be of the 4th grade in the national association. The military department of the Institution has on hand over \$1000 worth of ammunition. and a complete target equipment. Considering our resources we hope to make a good showing at rifle work.

> Miss Wise, a sister of Dr. Wise of the department of German and Latin. has registered as a student of the college.

The next issue of the New Educa tion which will be mailed January 15. will contain the pictures of the new womans' building and the boys' dormitory. The pictures of the district agricultural school buildings will also be contained in this issue,

The poultry expected for use in the short course has not been procured, and will probably not be on exhibit. Owing to this fact the work of erecting buildings and selecting poultry will probably be omitted from the course mentioned.

The College bulletin board contains an announcement which proclaims the early distributon of the "Red Skin," the college annual.

The unsettled weather has prevents The amendment is now being fought ed drill for some time. However, the classes in military science continue their work quite successfully. Some excellent woodwork is being

done by the freshman class. Some of the boys are now doing cabinet work to fill outside orders. Professor Rose gave a very inter-

esting lecture on Alpine mountain climbing Friday evening. The lecture was made real by a number of lanmember of an Alpine club and gave us the real thing in his lectures.
